# New simpler zone fares

The new, **Simpler Fares** system starts for all bus and train services on **14 August 2016**\*. The new zone map has colour coded zones across the whole of Auckland to work out your cash or AT HOP fare.

With an AT HOP card, you will pay for one entire journey from A to B, instead of paying for each bus or train separately. Tag on and off each bus and train as you do now, and simply count the number of zones you travel through to work out your fare.

During your journey you can use up to five buses or trains within four hours, with a maximum transfer time of 30 minutes between each trip.

There is a new AT HOP monthly pass, a new AT HOP day pass and a new AT HOP child weekend fare.

\*Excluding SkyBus services

# New zones make fares simpler

If you pay with cash, use this table to find the fare of each bus or train you catch then add them together to work out the total cost of your journey. Bus and train cash fares will always work out more expensive than the equivalent AT HOP fares (except for SkyBus services).

If you are paying with AT HOP, simply count the number of zones you travel through to work out the cost of your journey. You will still need to tag on and off each bus and train.

	ADULT		CHILD & ACCESSIBLE*		TERTIARY*
	AT HOP	CASH	AT HOP	CASH	AT HOP
CITYLINK	\$0.50	\$1.00	\$0.30	\$0.50	\$0.40
1 ZONE	\$1.80	\$3.00	\$0.99	\$2.00	\$1.28
2 ZONES	\$3.10	\$5.00	\$1.73	\$3.00	\$2.31
3 ZONES	\$4.90	\$7.00	\$2.72	\$4.00	\$3.59
4 ZONES	\$6.00	\$9.00	\$3.46	\$5.00	\$4.52
5 ZONES	\$7.50	\$10.00	\$4.45	\$6.00	\$5.80
6 ZONES	\$8.80		\$5.10		\$6.70
7 ZONES	\$10.10		\$5.60		\$7.50
8 ZONES	\$11.20		\$6.00		\$8.20

To find out your exact fare go to [AT.govt.nz/journeyplanner](http://AT.govt.nz/journeyplanner) from 14 August 2016.

Note: If you are travelling by train between west and south Auckland via the city zone you will not be charged for the city zone if you do not tag on or off in that zone.

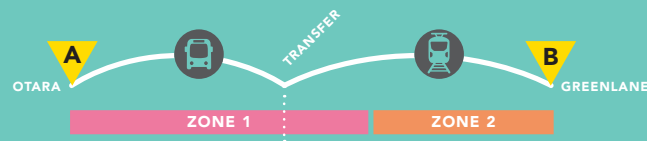

These fares do not apply to SkyBus services ([skybus.co.nz](http://skybus.co.nz)).

\* Child and Accessible AT HOP and Tertiary fares only apply when paying with an AT HOP card with the relevant concession applied. Fares subject to change, correct at 14 August 2016.

# Joe's example

Joe travels by bus and train across two zones from Otara to Greenlane. From 14 August 2016, with his AT HOP card Joe's adult fare will be \$3.10. If Joe paid with cash, his total fare would be \$8.00 - a \$3 one zone fare for the bus plus a \$5 two zone fare for the train.

# Zone overlap areas

Zone overlap areas at some zone boundaries allow for travelling **to** the edge of zone borders without crossing into another zone.

For example: If you travel from Titirangi in the Waitakere zone or from Avondale in the Isthmus zone to the New Lynn bus & train interchange, you will only be charged for one zone, \$1.80 with AT HOP.

If you are travelling **within** a zone overlap area as part of a journey and paying with an AT HOP card (this means tagging on and off within the same zone overlap area) this may count as travelling through a new zone. From 14 August 2016 you can refer to [AT.govt.nz/journeyplanner](http://AT.govt.nz/journeyplanner) for the correct fare.

Go to [AT.govt.nz/simplerfares](http://AT.govt.nz/simplerfares) to see all the zone overlap areas.

## AT HOP monthly pass

A new \$200 AT HOP monthly pass is the single monthly pass option for buses and trains. This gives you unlimited travel on all Auckland's bus and train services (except SkyBus services). The pass is valid for one calendar month from the first day of use.

- ▶ The new all zones pass will be sold at an introductory price of \$140 from 1 July to 13 August 2016.
- ▶ AT HOP bus and train monthly passes purchased before 1 July will continue to be accepted for travel until midnight 30 July. They will not be valid from 31 July onwards.
- ▶ Before purchasing a new monthly pass don't forget to check out the cost of your travel using the new Simpler Fares zone system as you may find it is cheaper paying as you go from 14 August 2016.

## AT HOP day pass

A new \$18 AT HOP day pass for unlimited travel on all of Auckland's bus, train and inner-harbour ferry services, excluding SkyBus, will be introduced on 14 August 2016.

**The pass will be valid until midnight on the day it is first used.**

- ▶ The current AT HOP day pass options will be withdrawn after 10 August 2016.
- ▶ Passes purchased before 11 August 2016 must be used before midnight on 13 August 2016 as they will not work from that date onwards.
- ▶ Inner-harbour ferry services include Bayswater, Birkenhead, Devonport, Northcote Point and Stanley Bay.

# New AT HOP child weekend fare

A new AT HOP child weekend fare will apply to weekend and public holiday journeys when paying with an AT HOP card with a child concession applied\*.

Make up to five bus or train trips over a four hour period, across any number of fare zones, with a maximum transfer time of 30 minutes between each trip and pay only the AT HOP child weekend fare\*. This fare is 99 cents as at 14 August 2016.

A single trip AT HOP child fare on the CityLink bus is just 30 cents at any time.

To make sure your child is getting the best fare get them an AT HOP card and apply the correct concession discount. To apply the child (5-15 years) concession, register their card online at [AT.govt.nz/athop](http://AT.govt.nz/athop) and follow the instructions for loading a child concession discount on it. Set up Auto Top Up at the same time and you won't need to think about it for the rest of the year.
