REPRESENTING PAPAKURA 2018 #KURAREPS

Representing Papakura is a project which aims to promote pride in Papakura by showcasing the talented youth who represent the community in sports and activities.

The project consists of 105 black and white portraits of youth who represent Papakura. These images have been captured by ATV Creative, and compiled by Grant Priest and Fresh Concept.

This map identifies all the shop fronts which the project is exhibited in. We hope you get a chance to visit all the locations and see the photos.

This project was made possible with funding from the Papakura Local Board and support from the Papakura Business Association.
